BRIEF DESCRIPTION OF OUR EVENT

I Tom Ringwalt have traveled to tattoo conventions for over 13 years to identify key factors in making tattoo conventions successful and to better understand their popularity with the public. I have combined these aspects with my own creative ideas and am sure Tommy's Tattoo Convention is one of the most organized and best produced events of its kind. Significant time, effort and research go into developing each show.

Tommy's Tattoo Convention has been attended by over 200 international, national and local professional tattoo artists, over 30 new & existing vendors, and approximately 4,000 fans throughout this three-day weekend. Our goal for 2018 is to make this event even more successful than last year. That being said it would be much appreciated to get as many sponsors on board as we can to help accomplish our goal in making this event the best ever and the premier "go to" tattoo gathering in Connecticut.

Check us out on Facebook & Instagram @tommystattooconvention or on the website at www.tommystattooconvention.com.
