BRIEF DESCRIPTION OF OUR EVENT

Tom Ringwalt has spent over 25 years traveling to tattoo conventions, studying what makes them successful and understanding their appeal to the public. Combining these insights with my own creative ideas, I have been able to produce Tommy's Tattoo Convention - an exceptional event that is highly organized and well-executed. Our dedication to research and development is evident in every aspect of the show.

At Tommy's Tattoo Convention, we have welcomed over 600 professional tattoo artists, 60 vendors, and 10,000 fans over the course of a three-day weekend. And our goal for 2026 is to surpass the success of last year's event. This is where we are seeking your support - as sponsors - to help us achieve our goal of becoming the premier "go to" tattoo gathering in Connecticut.

For more information, please visit us on Facebook and Instagram @tommystattooconvention or on our website at www.tommystattooconvention.com. We have several sponsorship packages available that are reasonably priced, and any support you can offer will be greatly appreciated in helping us reach our full potential. Join us in making our 13th annual convention the biggest and best one yet!
